INTRODUCTION

The setting up of the Majlis Polytechnic College is an important landmark in the journey of Majlis Education Complex, towards its mission of reaching top-quality technical education at the grass-roots level. With sister institutions in the Group recognized for their leadership role in the field of higher education in Management, Engineering, Technology, Architecture, Commerce and bioscience.

The Majlis Polytechnic college is also envisaged to attain similar stature in its lab and library facilities, high quality faculty support and conducive teaching-learning environment already made available. The Majlis management is committed to achieve excellence in this new initiative as well, which is designed to roll out highly competent, well-trained and job-ready diploma holders for whom there is ever- increasing demand in the country and abroad.

VISION & MISSION

## Culture Oriented Quality Education

Vision

To be a prime institution with excellence in technological competency, creativity and social commitment.

Mission

To impart quality technical education by providing better technological environment.

To develop creativity among students by concentrating on their overall development.

To mould a technical community with social and moral values.

WHAT MAKES MAJLIS POLYTECHNIC COLLEGE DIFFERENT

High Tech Campus Spread over 4.5 Acres

Dynamic leadership with clear vision and mission

State of the art infrastructure

Dedicated and highly motivated team of faculty a one blend of experience and dynamic youth. Perfect mix of academicians and practicing technologists in the faculty team to mould budding technicians

Excellent academic atmosphere in the campus

A highly disciplined environment for academic pursuits

Value added Course offered for the benefits of Students

Programme Offered

Majlis Polytechnic College offers 3 year Engineering Diploma Programs in the following branches with an intake capacity as given below:-

COURSE		CODE	SEATS
Civil Engineering		CE	60
Mechanical Engineering		ME	60
Electrical & Electronics Engineering		EE	60
Automobile Engineering		AU	60
Computer Engineering		CT	60

Category of Seats

Merit

50 %of seats will be on merit filled by Department of Technical Education

Management Seat

50% of seats will be filled by management from the rank list prepared on the basis of index mark considering the eligibility conditions fixed by Director of Technical Education.

Majlis Rules

Discipline

Strict discipline is enforced right from day one at the college campus. Any manner of indiscipline will not be tolerated as it is the very opposite of the ideals for which the institution stands committed. Parents should actively co-operate with the management to avoid taking any heart-burning decision by the management for in disciplined behavior. Our campus is declared as 'NO SMOKING CAMPUS'. Any student who violates this rule will face disciplinary action as per rules laid down by the college in this respect.

Class Timings

Class timings are from 9.00 am to 4.30 pm on all days except second Saturdays and Sundays. Attendance will be recorded on each period. Late coming is not allowed. List of other holidays will be displayed on the College Notice Board at the beginning of each calendar year.

Attendance

Rules given by the Board of Technical Education in the matter of attendance will be strictly enforced. The students should co operate with the college authorities in the matter and in all other activities aimed at their welfare. No relaxation or concession will be extended by the Management. All Students should wear the prescribed uniform within a forth night from the day of commencement of classes. After this date, students who are not in the prescribed uniform and are not properly groomed in their appearance will not be permitted to sit in the class.

Evaluation

Apart from the end term examinations we follow a system of continous evaluation for assessment of student performance. weightage is given for internal assessment based on attendance, class participation, assignments, workshop and lab work., conduct on campus, punctuality, utilisation of library and computer centre etc..

Ragging Strictly Prohibited
Extract from Govt. Order on Ragging

Ragging / any type of misconduct towards any students, either in the college campus or outside, will be considered as criminal offence and will be immediately reported to the police. Preperators will not be permitted to continue their studies. Every student shall at the time of admission furnish a character certificate from the institute where from he/she has passed the qualifying examination, which would mention the status of his/her behavioral pattern especially in terms as to whether he/ she has displayed persistent violent or aggressive behavior or and desire to harm others. Students and parents shall, at the time of admission, furnish an affidavit to the effect that the students shall not indulge in ragging.

Refund Policy

Any candidate who joined the Diploma Programme and discontinued his/her study after the closure of admission will be liable to pay the entire course fee for the issuance of transfer certificate.

General Behavior

- Students are expected to maintain dignity and decorum on all occasions.
- The college properties should be handled with utmost care. Students shall not disfigure the walls, windows or furniture by writing on them or sticking bills or graffiti.
- Students are not allowed to loiter in the verandas and the campus during class hours. Students are also not allowed to enter other classes.
- Indecent behaviour towards teachers and fellow students will not be compromised.
- Students should not be absent from the class without proper leave letter signed by their parents.
- 75% of attendance in regular classes and good progress and conduct are compulsory for appearing for end semester Diploma Examinations and for promotion to higher classes.
- Students should keep their classrooms neat and tidy.

Facilities

Civil Engineering

VISION OF THE PROGRAM

To be an outstanding department focused on technical excellence and to develop Civil Engineers with capability of accepting new challenges.

■ MISSION OF THE PROGRAM

- To develop professionals who are technically excellent in design construction and modeling for fulfilling the needs of industry.
- To mentor standards for innovative thinking and accepting challenges.
- To mould the students with creative minds and capable of achieving social responsibilities.

Mechanical Engineering

VISION OF THE PROGRAM

To mould skill oriented quality Mechanical Engineers to meet the ever-changing needs of industry and society.

■ MISSION OF THE PROGRAM

- To provide effective teaching & learning methods.
- To develop professional skills by commitment and discipline among the students.
- To develop employability and entrepreneurship qualities in students through industry interaction and training.
- To make our students responsable citizens to serve society.

Electrical & Electronics Engineering

VISION OF THE PROGRAM

The department of Electrical and Electronics Engineering is committed to create globally competent technocrats with cognitive and psychomotor skills to generate new knowledge for society and industry.

■ MISSION OF THE PROGRAM

- Create technocrats possess sound fundamental knowledge of electrical and Electronics Engineering.
- Facilitate quality learning blended with practical engineering skills by adopting outcome based education & amp; industry institute interaction.
- Create conducive academic and social environment to groom students as worth citizens.

Automobile Engineering

VISION OF THE PROGRAM

To mould automobile professionals capable of meeting modern industrial and social challenges.

■ MISSION OF THE PROGRAM

- Provide quality education by qualified teachers using modern methods.
- Develop multi-talented skills through extra curricular activities in a friendly environment.
- Equip students with moral values and leadership qualities for the betterment of society and to face challenges.

Computer Engineering

VISION OF THE PROGRAM

To Provide quality technical education and to produce globally competent Computer Engineers with strong academic backgrounds.

■ MISSION OF THE PROGRAM

- Bring up students to have multi disciplinary skills and leader ships qualities.
- To produce best Computer Engineering Professionals by offering quality training and education.
- Inculcating professional ethics & innovative research capabilities thereby making a productive career.
- Facilitate learning in advanced technologies adopting innovative methods.

National Service Scheme

The National Service Scheme unit of Majlis Polytechnic College was started in 2018 and functions under the Technical Cell kerala. The objective of NSS is to create social awareness among the students and the all round development of their personality. The NSS Unit of this college conducts regular and special camps, awareness classes, demonstrations, personality development programmes etc. for the volunteers. Blood Donation to the needy and required patients is a laudable activity of the NSS. The volunteer strength of the unit is 100. Some of the activities and achievements of our NSS Unit is listed below.

Placement Cell

The Career Guidance and Placement Unit (CGPU) was started in this college as a voluntary organization in June 2018 . The Placement Officer who is assisted by student representatives from all the departments heads this unit. The Principal of the institution and all other faculty members have extended their wholehearted support to the functioning of the unit. The CGPU forms the backbone for the career growth of the students of MAJLIS Polytechnic College. The career counseling provided by the CGPU helps the students to give direction to their aspirations and interests.

Physics & Chemistry Lab

Fully equipped Physics and Chemistry labs are set up for the use of students at par with the curriculum.

Computer Lab

The computer lab has around 60 terminals on a LAN, with the necessary peripherals and Internet connectivity. Latest licensed software like MS O?ce, Windows NT, oracle, Visual studio are made available.

Library

A collection of more than 3000 subjects is available at the library. The library also subscribes to a variety of national and international technical journals. Since it is open from 9.00 am to 5.00 pm on all working days. Student can make full use of facility.

IEDC

The Innovation and Entrepreneurship Development Centres (IEDC) are platforms set up in Engineering, Management, Arts & Science Colleges and Polytechnics with an aim to provide students an opportunity to experiment and innovate.
